### Christmas and New Year in Malta

For the past few years it has been our school's policy to operate throughout the festive season in order to be able to offer courses to prospective students who can only get time off from their work, course or other duties during the holidays. Since this has always proved to be a popular time for students to attend an English language course at Clubclass, this year we will stick to the same policy and the only days when the school will be closed (i.e. no lessons will be held) will be Friday 25 December 2009 - Christmas Day and Friday 1 January - New Year's Day. Both these days are Public Holidays in Malta.

### Student Mix - September 2009

In September 2009, students from over 29 different countries were attending a course in English at Clubclass. The top 10 nationalities were from - Austria, Czech Republic, Germany, Hungary, Italy, Korea, Russia, Slovakia, Spain and Sweden. In September we also had our first students from Mauritania, Peru and Saudi Arabia for 2009.

## Buskett Gardens - Rabat

Buskett is one of the greenest areas in Malta and the only woodland area located in the fertile valley of Wied Il- Luq. The gardens are at their best in the spring but they also offer shade from the harsh mid-summer sun. The gardens are very popular with Maltese people, who often visit the gardens to go for walks in the peaceful settings and to enjoy a picnic in the shade of the trees. Many different trees and shrubs grow in the gardens and there are also many fruit-bearing trees which grow there as well.
