Clubclass Language School - Malta Newsletter November 2009

Christmas and New Year in Malta

For the past few years it has been our school's policy to operate throughout the festive season in order to be able to offer courses to prospective students who can only get time off from their work, course or other duties during the holidays. Since this has always proved to be a popular time for students to attend an English language course at Clubclass, this year we will stick to the same policy and the only days when the school will be closed (i.e. no lessons will be held) will be Friday 25 December 2009 - Christmas Day and Friday 1 January 2010 - New Year's Day. Both these days are Public Holidays in Malta.

EXTRA 50% commission / discount on accommodation fees

Packages at Clubclass which include accommodation in the apartments, hostel or student house will benefit from an EXTRA commission / discount of 50%. This incentive is made up of a 35% discount which may be passed on to the client, and an increase in commission of 15% on the accommodation fee which will be given to the agent for the duration of the incentive. This offer is a win-win proposition for clients and agents; clients can be offered the discount on the selected accommodation and irrespective of what is done with the discount, the agent will earn more commission on the accommodation fees!
